TTI Enters Pneumatic Tool Category with Seven Professional Fastening Tools launched for RIDGID®

(HONG KONG, 13th January, 2005) — **Techtronic Industries Co. Ltd.** ("TTI") (HKEx stock code: 669, ADR symbol: TTNDY) has introduced a line of seven pneumatic fastening tools, under the RIDGID® brand name, designed for professional contractors, re-modelers, builders, roofers and carpenters. Featuring FastenEdge Technology™, the pneumatic fastening tools are powerful and durable, and can significantly enhance the productivity of the users. They will be available at The Home Depot stores in April 2005.

Mr. Horst J. Pudwill, Chairman and CEO of TTI, said, "We are very excited about the introduction of this

new RIDGID® pneumatic tool line, which has further expanded TTI's product offerings to address the diverse needs of our customers. TTI will continue to strive for the highest level of product innovation and quality, providing best-in-class tools for users."

"These pneumatic tools are the result of extensive research and development efforts taking into account jobsite conditions and professionals' wants and needs in fastening tools," said **Jeff Dils, president of the North American Power Tools Division of TTI.** "Our team has a clear mission which is to engineer and produce a line of best in class fastening tools that can enhance the productivity of the professional customers we serve. We are proud that we have accomplished this mission."
