

Floor Care and Appliances

HOOVER® is creating the future of Floor Care. We recognize that people's homes and lives are constantly evolving, and we're changing with them.

We are proud that each of the 700 patents we currently hold represents a challenge we've overcome in our drive to make new, powerful and desirable cleaning products.

We want to be recognized for making people's lives easier and so we make those that do the cleaning the focus of everything we do.
