FLOORMATE® DELUXE

A powerful cleaner that is lightweight and maneuverable, the FLOORMATE® Deluxe is designed to deliver the best clean while gently and safely scrubbing hard floors in a snap. Dual tanks are easy to fill and empty ensuring clean water is all that touches the floor. Dirt is scrubbed away with SPINSCRUB® technology that replaces the bucket, mop and scrub brush.

AIR® STEERABLE

Powerful. Steerable. Lightweight. Another innovative addition to the AIR® range of products, the highly-maneuverable AIR® Steerable twists and turns with a flick of the wrist while delivering confident, whole-home cleaning.

DUAL POWER™ CARPET WASHER

Deep cleans on the double. The DUAL POWER™ Carpet Washer lifts tough deep down dirt up and out of carpet with innovative DUALSPIN™ PowerBrushes that scrub and groom. The addition of above floor cleaning makes it a whole-home cleaner for both carpet and upholstery.

MAGNESIUM® RS

At 7.7 pounds the MAGNESIUM® RS is the lightest ORECK® to date, easily lifted with one finger, thanks to its magnesium-steel alloy frame, which also makes it incredibly durable. Architectural, fashion forward, futuristic, it's a cleaner that fits in even the most modern homes but finds function in form with easy swiveling vacuum head and a lay-flat, low profile which allows it to slip easily under couches and around furniture.

ORECK®

ORECK® has earned its reputation for making the finest vacuums available and providing premium service. Originally a manufacturer of vacuums for the hotel industry, ORECK® is driven by a singular, consumer-satisfying goal: to provide easy-to-use, lightweight, and durable vacuums and other cleaning tools — each with exceptional power — for every room in the house.

COMMERCIAL ORBITER®

One of the most versatile machines for commercial use, the durable ORECK® ORBITER® can safely deep clean nearly any surface found in a commercial setting. Orbital drive and the ability to add a variety of cleaning pads allows the unique cleaner to take on carpet, wood, vinyl, ceramic, marble and concrete flooring.

COMMERCIAL XL® UPRIGHT WITH PERMANENT BELT

The XL® Permanent Belt model offers the same light weight and ergonomic handle, but goes even further in ease of use. Advanced circuitry protects from jams and broken belts, its 40-foot cord is easily replaced, a lay-flat design allows access to hard-to-reach places, and a high-speed double helix brushes pairs with a wide cleaning path for ultimate efficiency.

For decades, the ORECK® family of consumers has expressed their affinity for the benefits of owning an ORECK®. That's why ORECK® is committed to making products, including lightweight upright vacuums, bagless vacuums, convenient hand-held models, versatile steam mops and a family of air purifiers, which make cleaning just a little bit easier for all its customers.

COMMERCIAL XL® 8LB UPRIGHT

Because they are the original inspiration to the brand, ORECK® continues to innovate for commercial users. The XL® is no exception, allowing workers to work smarter, not harder, because it weighs just under 8lbs. An ergonomic handle that received the Ease-of-Use Commendation from the Arthritis Foundation®* also helps ease the workload.
