POWERTOOLS

Since being founded, AEG POWERTOOLS has been leading the way in new product development. By introducing the first transportable drilling machines in 1898, portable powertools were born. Over 100 years later AEG are still offering the professional user innovative, powerful solutions.

At the heart of PRO 18-volt brushless tools lies 3 core technologies. These core electronics are built to offer tradesmen relentless power, instinctive technology and unstoppable runtime and sets AEG's PRO 18-volt brushless tools apart from all competition.
