

Hand Tools

STILETTO tool sets the standard with premium titanium hand tools and hammers that are 45% lighter than steel, while providing the same striking force and strength. In addition, titanium tools produce 10X less recoil shock, which means less downtime due to injury, more productivity and most importantly less pain while getting the job done.

HART family of products focus on delivering innovative signature features that provide contractors with top quality tools to enhance productivity. Products range from hammers, sledges, tiling tools, pry bars, clamps, mattocks and utility tools ensure you have the right products to complete every job.
